

Dear Ladies of Impact 100,

We are moving from our longtime home at Shalimar United Methodist Church to a leased building at 56 Beal Parkway, Fort Walton Beach.

This Center is desperately in need of some **new furnishings** as they are worn to a frazzle and it is way past time, but also because the rooms are smaller and won't accommodate our old couches and tables. We need two loveseat and chair combinations and one big table with six chairs. Maybe some colorful rugs and new cheerful wall art!

And **toys!** Our Barbie Dolls look like a hot mess! And we are purging everything that is cracked, broken or has pieces missing. We don't mind gently used toys, but the sturdier the better since they get a lot of use. And quiet indoor toys are always the best! All ages!

Lockers! We need a few stacked lockers parents can use to secure their belongings.

And **computers** we can load with resource materials for our parents.

We also need an apartment sized **refrigerator, a toaster-oven and a microwave** to assist our families with food storage and simple preparation.

The following is a list of items we use a lot of and always need:

Diapers	Wipes	Snacks
Juice/water	Lysol wipes	Lysol Spray
Toilet Paper	Paper Towels	Hand Sanitizer
Trash bags (13 gal)	Tissues	Hand Soaps
First Aid Kits (2)	Crayons/Markers	Coloring books

Thank you all for all you do!!!

Sharon Rogers
