

Sharing Hands Network Wish List

- Warehouse/office space : several thousand square feet for program workshops and activities, along with temporary storage for donations (physical inventory being donated to SHN for distribution to veterans; e.g., cars, appliances, furniture, materials)
- Data entry and phone calls : support for communications with veteran service organizations
- Marketing : support for materials development and deployment
- Fundraising : planning and support for multiple events
- Additional individual donations by Impact 100 members : additional financial support from those who believe in the WarriorConnect mission and want to support its growth and deployment
